'round town

with Betty Allen...

☆

Today's information on incorporation is, as stressed in the article, a very rough estimate. All of the revenues and expenditures cannot possibly be estimated unless definite plans are made. For example, it could be decided to tax bicycles or not to tax bicycles. It could be decided to have two policemen, or one policeman, etc.

★ ★ ★

The greatest advantage to incorporation is that it permits local affairs to be controlled locally by those persons most interested and affected. When a community incorporates, it can establish by local ordinances adopted by the city council exactly the type of local regulations best suited to the needs of the area.

★ ★ ★

Let's look at the disbursements listed in the article and see if they can be of benefit to Campbell. The administrative expenses would help to lower the county tax rate, the sum spent thusly would go for the main part to Campbell residents instead of county officials and fines collected would remain in total in Campbell and not go in whole or in part to the county.

★ ★ ★

The police department is next. With a crime wave sweeping the country, with Campbell's large transient population during the summer months, and with the large expansion of the area more police protection is needed. There are even those who say that if Campbell had had a police department last fall at the time of the tragic abduction which took place here, the crime might not have happened in that, with a full-time police force, a stranger, acting queerly and hanging about town for several hours, would be picked up for questioning.

★ ★ ★

As to the fire department, anyone owning a home or business here, in addition to paying exhorbitant rates takes severe chances. In the present set-up there is no one at the station house or the water company to answer telephone calls from 6 to 8 a. m. or from 5 to 9 p. m. In the event of incorporation, the city could decide just how efficient and well-equipped a fire department it wished to have and the insurance rates would be lowered correspondingly.

★ ★ ★

The last roughly estimated figure is for the street department. This, too, as far the amount spent, would be determined by what the city council wished to accomplish. It is certainly true that clean streets(which we do not have now) and more street lights, particularly in view of the increased bus service, would do Campbell no harm.

★ ★ ★

Perhaps the greatest advantage would be the planning and zoning of the town which would be done by interested residents and not disinterested officials. It is undoubtedly true that if the town had incorporated many years ago and the growth of the town properly directed, we would not now have the problems we do.

★ ★ ★

Like any difficult project, incorporation would involve a lot of work but it could be done by some unified group with plenty of enthusiasm and determination. Some individuals interested in incorporation have suggested that the expenses could be reduced by receiving legal counsel from the district attorney's office instead of private counsel.

The Paul Werthmann's dachshund is recovering after being hit by a speeding motorist on Campbell Ave. . . . incidentally the driver didn't even pause. . . On the subject of animals, it seems that Mrs. Ray Mathis had a bad time not long ago. She had a new horse (this all happened in Indio) and while she and the horse were still in the process of getting acquainted, in the course of an hour he bit her, threw her and then as a final indignity, stepped on her foot. . . . Archie Keesling is claiming the record of being the oldest man in town. It seems that he was mentioned in "Looking Back" as being elected Chamber of Commerce president in 1836. . . .

Interest in the new postoffice is running high. At the present it appears to be between the corner of 4th and Campbell where Carl Bohnett has offered to build a postoffice with the possibility of a bank adjacent and the lot next to the library. The house there would be torn down. A decision will be made in the near future by the postal inspector.

Every week a name will be drawn from our list of new subscribers and printed in the classified ad column. The person whose name appears there may receive two free passes to the Campbell Theater by calling at the Press Office. Look and see if your name is there!

Chamber Appoints Committee

At the suggestion of Zola Hollinger, new member of the Campbell Chamber of Commerce, a committee of five was appointed to study the zoning and planning problems of Campbell, and to make recommendations concerning these to the County Planning Commission. Appointed to serve were Zola Hollinger, J. M. Dahl, Clarence Nelson, David Rutherford and Leslie Wheeler.

Of the 38 Chamber members, 16 were present for the discussion on incorporation. The members voted to collect funds for the fact-finding committee to use for legal advice in the assimilation of their facts, but remained impartial in its attitude toward incorporation. It was agreed to vote one way or the other at the next meeting.

A petition and letter is to be sent by the Chamber to the Planning Commission stressing the Chamber's original request for rezoning of tracts along the railroad at Hamilton Ave. for commercial use. Another letter was voted to be sent to the Fire Commissioners advocating the employment of two full-time men for the fire department, one for night and one for day.

During the past three months the Chamber has paid $90 for the repair of the neon signs at the east and west entrances to Campbell; $67.25 for an insurance premium on the nightwatchman; and $97.87 for Old Settlers' Day expenses.

Receipts for the Old Settlers' Day dance were not yet in.

New members of the Chamber of Commerce are: Campbell Ice Delivery (Zola B. Hollinger), Mercer Electric Company, What Not Gift Shop, Blue Jay Cafe, Standard Oil Company, Kopper Kettle Donut Shop, Cozy Cafe, Decker's Market, Jones Service Station (Fred Jones), Farley Real Estate office (Guy Farley).

Poliomyelitis Victim Recovering

Friends will be glad to learn that little Miss Marilyn Rice, daughter of Mr. and Mrs. Herman Rice, who was struck with poliomyelitis several weeks ago, returned to her home early this week from the County Hospital, where she has been undergoing treatment. She is reported much improved.

To See "Oklahoma"

A group of twelve will go to San Francisco Saturday evening to see a performance of "Oklahoma". Included will be Mr. and Mrs. Ethan Lanphear, Mr. and Mrs. Jack Murdock, Mr. and Mrs. Paul Becker, Mr. and Mrs. LBen Howard, Mr. and Mrs. Budd Levenberg, Miss Jean Ross and Miss Junice Benson.

Mrs. Enderton and Children To Go To Germany

Mrs. H. B. Enderton, who has been making her home in Campbell for some time, will leave in July to join her husband, Col. H. B. Enderton, in Amburg, Germany, where the Colonel will be attached to the First Division Artillery.

The Endertons' four children, Ann, Alice, Herbert and Donald, will accompany Mrs. Enderton on the trip, and are busy learning facts about their future home which is just east of Nuremburg.

Arrangements were made during a long distance telephone call by the Colonel from Germany last week. Mrs. Enderton said: "His voice was very clear and it was as though he were calling from San Jose."

The Army will arrange transportation, furnish living quarters and maintain schools for the Army families.

Campbell To Have Improved Service

Robert Bartholdi, manager of the Peerless Stages, Inc., which serves the Campbell area, told members of the Chamber of Commerce last week that additional service is planned for Campbell. Twelve new busses have been ordered by the line and when they arrive, 20 minute service will be given here.

Other plans call for a change of routes which will serve a larger area in and around Campbell. The new route will leave from San Jose, to Stevens Creek Road and Bradley Ave. to Moorpark; right to Winchester Road to Latimer; right to N. Carlyn and Campbell Ave., then through Campbell to the San Jose Road. The return trip will be made the opposite way, encirling Campbell.

Moreland Plans School Bond Vote

Citizens of the Moreland school district will be called upon at an early date by the board of trustees to vote bonds for a new school building because of the increase in attendance which has assertedly crowded the old building.

Preliminary steps to place the bond proposal before the voters were taken at a recent trustees meeting, Mrs. George C. Payne, board secretary, announced.

"The board of trustees have been contemplating this project over a period of time, and due to the decided increase in daily attendance in the school, they find themselves in a position where it is most necessary to bring this issue before the voters of the district", she said.

Faculty Fetes Members

Faculty members of the Campbell Union High school met for a dinner at the Live Oak Inn in Los Gatos Monday evening in honor of a new instructor at the school, Rolla Rieder, and the three faculty members who have recently returned to civilian life after service in the armed forces, Dean Chamberlin, Herb Hudson and Steve Casaleggio. Following the dinner the group returned to the Little Theater at the high school for bingo.

Drew Canning Official Elected to Canners League

L. J. Campodonico of the Drew Canning Co. is one of five cannery executives recently elected to the executive committee of the Canners League of California.

Nelson Bros. Build New Store Building

Construction has begun on a new store building by Nelson Brothers Grain Co. on the lot adjacent to their feed store on Campbell Ave. The new building will contain two stores, each 22 feet wide and 41 feet deep.

Oliver Jensen is the contractor for the new structure, to be of concrete construction with stucco finish. Both stores will have a new feature, considered the most modern of display. In place of display windows the fronts will be especially constructed of plate glass in such a way that the entire store can be seen at a glance.

One store will be operated by Lloyd Nelson, returned veteran, as a sporting goods shop. The tenant of the other store has not yet been announced.

Style Show Set for Tonight

Plans have been completed by Miss Rachel Spradling, owner of Rachel's Dress Shop, for a showing of spring fashions at the Library hall this evening. Coupled with "styles on parade" will be an exhibition of oil painting by Mr. F. C. Cutting.

Included in the evening's entertainment will be a string trio composed of the Misses Mardel Sanders, Joyce Klassen and Beverly Clawson, and drawings for door prizes. Mrs. Oliver Jensen will be the fashion commentator on the clothes which will include "California Casuals for Spring", "Easter Frills and Bonnets", and "Spring Suits, Coats and Furs". A. L. Tarlow of San Jose will furnish furs for the display.

Modeling the spring clothes will be Mrs. Louise Ayers, Mrs. Del Arthur, Miss Carol Price, Miss Mary Price, Mrs. Franklin Blaine, Mrs. H. F. Evans, Mrs. Elta Gates, Miss Betty Driesbach, and Miss Joan Sanders.

The showing which will begin at 8 p. m. is open to the public with no admission charge.

Los Gatos To Have Pageant In Sept.

Los Gatos will have a pageant September 19, 20 and 21.

Decision to renew the popular pre-war civic event was made recently at a meeting of Bowl Associations directors when reports from a survey showed that the first hundred Los Gatos and Saratogans to reply, unanimously favor having a pageant this year. Fifty per cent of those responding indicated willingness to take part in acting or technical aid.

A three-act fantasy with unique costumes and trick lighting was agreed upon by the directors and the subject is to be announced later.

Bowl directors elected to ask the town's cooperation in paralleling the pageant run with a three-day festival with costumes and store decorations.

A decision was reached to hire a director. The pageant will be written by Ingerson and Dennison, Ruth Comfort Mitchell Young and Dean Jennings. Dorothea Johnson will be in charge of staging.

Musicians willing to participate in an orchestra are urged to contact Bowl directors.

Neola Stinson Mourned At High School

The Campbell Union High school flag was flown at half mast in memory of Neola Stinson who, with her mother, was killed in an automobile accident while the family was en route to Idaho.

Revenue and Costs Estimated For Incorporation

In response to the desire of many readers for information regarding incorporation, the Chamber of Commerce fact-finding committee has prepared a comparative study with Los Gatos of revenues and expenditures. This comparison is intended more to explain the sources of income and the way the money is spent than it is to be absolutely accurate in regard to figures. This is impossible since Los Gatos has an assessed valuation of more than $4,000,000 as compared to Campbell's $1,350,000, so would naturally have much larger revenues and expenditures.

In computing Campbell's revenues there would be quite a difference if the Sanitary District was incorporated instead of a larger area. In an effort to make a conservative estimate the committee used the sanitary district with its population of 3350 as a base.

The county tax rate is now $4.19 and the maximum tax rate allowed by law in a municipality is $1.00 per hundred. Naturally the county tax rate would be reduced in the event of incorporation.

The assessed valuation of the sanitary district would bring in taxes, $13,500. If the larger area were incorporated this amount would be correspondingly higher.

Two other large sources of income which Campbell is at present denied would be the city's share of the State gasoline tax which would amount to $2412.00 A share of the "in lieu tax on motor vehicles, also denied to unincoporated areas, would come to $2177.50.

A third source of revenue would be the tax on State liquor licenses. Los Gatos' income from this last year was $1,743.75; the committee estimated Campbell's amount on this tax roughly at $1000.

Los Gatos received last year $5,535.95 in business licenses. Since the amount charged for business licenses would be determined by the city itself when the charter would be drawn up this revenue is difficult to estimate. Peddlers and out of city delivery trucks would also come under this department as well as the businesses already in existence and new ones. For the purpose of this report, the committee made an estimate of $4000 for this source.

Another difficult revenue to estimate is that derived from franchises. Last year Los Gatos' was $1,123.64, while the city of Wasco, more comparable in size with Campbell, received $1200 from this source. The figure for this report has been set at $1000.

Two other items have been set conservatively — $1000 for city court fines (Los Gatos received $2400 last year) and $1000 from miscellaneous revenue. No attempt was made to compare this miscellaneous income with that of Los Gatos for there are many sources of revenue open to them which would not be to Campbell such as the swimming pool, etc. These items however are more or less balanced by the expenditures necessary for their maintenance.

Los Gatos' total receipts for 1945 totaled $71,676.21 with disbursements of $58,716.02.

Campbell's expenses would not be as high as those of Los Gatos, but would be more in keeping with the size of the town and the revenue received. For example, Los Gatos spent $650 last year for the maintenance of a town hall, janitor service, etc. Campbell could conduct its city affairs with a small office space, doing away with the need of a city hall. Other communities, eager to economize, have rented jail space from the county, instead of building a jail, it is understood.

The committee felt that this

Bond Election Suggested By District Survey

The board of trustees of the Campbell Union Elementary school district have just completed a careful and comprehensive survey of the school district with the aid of expert consultants and have reached the following conclusions:

That two primary (or lower grade) schools be built, one in the northern part of the district and one in the southern. These schools are to be financed by a $325,000 bond issue to be voted upon by the people of this district on May 24, 1946.

The above conclusions are supported by the following facts:

(1) The present school should accommodate no more than 1000 students. Thirteen hundred are now enrolled. At least 1500 pupils are expected in September, 1946.

(2) The birthrate has been steadily increasing since 1935. It has nearly tripled since that time.

(3) New subdivisions totaling over 1000 lots have been approved since January, 1945. Several subdivisions approved prior to the above date are now opened up.

(4) Over 250 homes were under construction or started since January 1, 1946.

(5) A sufficient number of new subdivisions and homes are contemplated in the immediate vicinity of Campbell to maintain and over-tax the maximum capacity of the present school plant.

(6) There is an adequate number of pupils in each end of the district now to set up an efficient and adequate primary school.

The board of trustees believes that this constitutes a sound educational program for the Campbell Union Elementary school district and urges the residents to register so that they may vote on election day and to watch this paper for further information.

Campbell Team Breaks Records

At the second annual Invitational Track and Field Relays at the Campbell Union High school last Friday, the local tracksters captured nine first places out of a possible 15, totaling 55 points to Santa Clara's 29. During the afternoon five meet records were broken.

The Bucs in competition with six valley clubs failed in but two events, the broad jump and the shuttle hurdle.

Campbell's Harris, Gouley, Nelson and Orcutt broke the first record early in the meet with the Class A mile relay.

Beating their own previous record in the Class B two-mile relay were Ybarra, Shepherd, Sylva and Elmer Sweeney of Campbell High school.

Kuykendall, Buck, Wilson and Blackmun shattered another record in the Class A 88 relay, betering Campbell's previous record.

Two-tenths of a second broke another record in the Class A medley when Martin, Blackmun, Gouley and Orcutt teamed up for this event.

It was thought more records might have been broken if the strong wind had not slowed the runners down.

President Lincoln was the first to designate the last Thursday in November as Thanksgiving Day.

THE WAR THAT HASN'T ENDED

War is never over for the Red Cross.

A battle is yet being fought by our wounded servicemen . . . and the Red Cross is with them. The Red Cross is at the side of the men who are serving as occupation troops in foreign lands . . . is helping our veterans make the transition from military to civilian life. The war on disaster, which knows no surrender . . . on disease, on human suffering, goes on unceasingly for the Red Cross.

The 1946 Fund Campaign of the Red Cross is being conducted through the month of March with a national goal of $100,000,000. Continuation of services to hospitalized men, armies of occupation, and veterans, as well as community health, educational, and disaster relief programs, will be made possible by voluntary contributions.

LEWIS IN REAL ESTATE

WASHINGTON.—Just how vigorously John L. Lewis plans to enter his battle to recapture the CIO came out at the AFL executive board meeting in Miami, where the bushy-browed labor thespian joined his former enemies in a holy war against his former friends, Phil Murray and the CIO.

One of Lewis' first moves was to persuade the AFL to move out of its shabby 30-year-old headquarters to a modern streamlined building near the White House.

Lewis was named chairman of an AFL committee to acquire the new building. Some years ago John paid a quarter of a million for the University club, once the home of Washington elite, and made it his United Mine Workers headquarters.

'VOTED AGAINST VETERANS'

Veterans are considering a new symbol which may become as famous as the label "Made by Union Labor." It will probably take the form of the initials "VAV".

When these initials are used immediately following a congressman's name, it will indicate that he "voted against veterans."

Congressmen, already sensitive about this year's election, are worried sick about the recent vote on housing for veterans, especially the vote on subsidies which would have permitted low-cost homes at a price-range which veterans could afford.

This worry was why Congress ducked a roll-call vote. If each congressman had been forced to stand up and be counted, it would have been political suicide for some.

The Democrats, despite a plea from President Truman himself, plus telegrams from Bob Hanagan, split ranks. Here are the Democrats who in the future will be labeled "VAVH" (voted against veterans' housing) in this important test vote: Barden, N. C.; Brown, Ga.; Camp, Ga.; Colmer, Miss.; Cox, Ga.; Cravens, Ark.; Doughton, N. C.; Durham, N. C.; Gathings, Ark.; Gibson, Ga.; Hare, S. C.; Manasco, Ala.; May, Ky.; Mills, Ark.; Murdock, Ariz.; Murray, Tenn.; Pacen, Ga.; Page, Texas; Riley, S. C.; Roe, Md.; Russell, Texas; Slaughter, Mo.; Smith, Va.; Sumners, Texas; Tarver, Ga.; Vinson, Ga.; Whitten, Miss.; Whittington, Miss.

STEEL HEADACHE

One of the biggest reconversion headaches is lack of steel. Hundreds of smaller firms, including Henry Kaiser's new auto company, can't get steel, while strike-struck General Motors was gorged with it. Recently General Motors officials traveled to Washington, wangled a promise from OPAdministrator Jack Small that he would not confiscate the thousands of tons of strategic materials which General Motors is hoarding. Small has cracked down on smaller companies hoarding nylons, but General Motors appears too big to touch.

CAPITAL CHAFF

Democrats were wrangling last week about the right of Chicago's Representative Sabath to be heard as much as Mississippi's Representative John Rankin. Meanwhile, GOP Leader Joe Martin went over to Democrat Mike Monroney of Oklahoma and said: "Mike, the next time you Democrats get into a scrap like this and it comes to a vote, we're just going to vote 'present' and let you Democrats fight it out yourselves." . . . Atlanta's new congresswoman, Mrs. Helen Douglas Mankin, has been assiduously cultivated by the Georgia delegation—with long visits on the floor of the House even from the two Georgia senators—George and Russel. But the first chance she got she voted against Rankin. . . . North Carolina's Chairman Bob Doughton of the House ways and means committee not only believes that people should continue paying the wartime excess-tax rates on luxuries such as furs, but also that children should continue paying the wartime tax on movie tickets. "After all," says Doughton, "kids don't have to go to the movies—they're a luxury."

VIGOROUS LOBBYING

Capitol Hill today is more besieged by lobbyists than at any time in years. Big utility lobbyists are working against any increase of federal power, even passing out nylons to congressmen's wives to win votes. The American Legion is buttonholing senators in favor of military conscription, and the railroad lobbyists are pulling wires in favor of the Bulwinkle bill which exempt the railroads from anti-trust suits.

Campbell High Scholarship Federation

This year the California Scholarship Federation of Campbell consists of twenty-two members. These students, in order to attain a membership, must have ten grade points. The points range from ten to fifteen.

Katherine Fuller tops the list with fifteen points while Stan Goold is next with thirteen. Four students with twelve points each are Ruby Simmons, Doris Raggio, Ann Enderton, and Richard Suezaki. Victor Corsiglia, Bernadine Thompson, and Charles Bussack have eleven points each. Those with ten points make up the remainder. They are Doralie Anderson, Ethel Bianucci, Claire Booker, Wayne Buck, Janet Giacomazzi, Jeanette Gomes, Norva Ingram, Dan Knowles, Mac Martin, Dianne Mussat, Gloria Surian, Robert Mazzone, and Thomas Kitazawa.

Officers for the second semester were elected. Katherine Fuller was chosen president, with Ethel Bianucci, vice-president; Ann Enderton, secretary; Norva Ingram, reporter; and Doarlie Anderson, historian.

The members are eagerly awaiting their trip to San Francisco which they take annually. They are excused from school for a day for this trip. Other privileges they are entitled to are being late to several classes without an excuse and not having to use class to class transfers.

Former Sergeant Now Civilian

444 Agencies Serving County

A preliminary survey by the Santa Clara County On Inter-governmental Relations shows a list, still incomplete, of 444 government agencies, departments, and offices which serve the citizens of Santa Clara County. This information was given to the council by Clark W. Lawrence, director-agent, at a meeting held on the evening of Feb. 14 at the Hotel De Anza. This list includes 182 local government divisions, county, 47; municipal, 135; 98 state and 164 federal agencies and departments.

In order to give the council a better picture of the problem with which they are dealing, the various government offices were placed on a chart and grouped under 23 general services such as "Education", "Public Welfare", and "Public Works".

It was agreed that the next step in the survey should be a detailed study of one particular government service in which all levels of government are represented. The field of "Public Works" was selected and Lawrence was asked to collect the necessary facts. The information will be gathered with a view toward seeing to what extent more effective service could be rendered to the public through coordinating the efforts of agencies and departments involved. It is planned to use the results of this study as a guide for surveying other fields of government service. The council felt this was the most effective approach to the problem because it would focus their attention on only one public service at a time.

The director-agent reported that the secretary of the Federal Council On Inter-governmental Relations, Mr. M. C. Cummings, would arrive here from Washington sometime within the next three weeks to check on the progress of the local council. With this in mind, it was decided to hold the next meeting at a time when Mr. Cummings could be present. The exact date will be announced later.

Council members present at the Feb. 14 meetting were: Elystus L. Hayes, chairman; Glenn F. Dodson, treasurer; Michael L. Blanchfield, Arthur W. Brown, Arvid Erickson, Robert C. Kirkwood, James W. Lively and S. M. Sanfilippo.

Kiwanis Hears Captain Young

At Tuesday's Kiwanis meeting, the group heard Capt. William H. Young give an account of the occupation of Germany by the American forces, the problems encountered in de-Nazifying the area, the educational program and the setting up of governmental agencies, particularly in Munich where he was stationed. Captain Young was with the Airbourne Division and specialized in the police set-up there.

Taking the place of next week's regular meeting will be an inter-club meeting with San Jose on Monday, April 1, at 12 o'clock in the Sainte Claire Hotel. The Campbell club will be in charge of the program.

Guests at the Tuesday luncheon this week were: Rev. Mark Rifenbark, Joe McKinnon and Bert Rudolph of San Jose club; Dr. Bill Harder, Bill Balch and Bern Hardwick of Los Gatos club; Bob Agostinho and Bill Smith of Campbell, and Howard Stinison of Texas. Jack McCarthy was also a visitor.

Group Goes to Ben Lomond

On Wednesday evening, March 13, a group of Campbell Kiwanians attended the San Lorenzo club's ladies' night at the Dickerson Hotel in Ben Lomond. Included on the trip were Mr. and Mrs. Mark Purmort, Mr. and Mrs. Dave Sanders, Ross Trowbridge, Jack Murdock, James Dent, Mr. and Mrs. Lowell Benson and Guy Farley.

Mail Slow in Reaching Japan

Pfc. Alson A. Yeager, son of Mr. and Mrs. Dan Yeager, who is stationed with the Army in Tokio, reports that he has received no mail since Jan. 27, and most of the men in his company are greatly discouraged over the lack of mail.

Edwin H. Kersgard Takes Bride

More than 300 friends and relatives attended the afternoon ceremony at the Federated Church in Saratoga which united in marriage Miss Viola Bertleson, daughter of Mr. and Mrs. Bert Bertleson of Saratoga, and Edwin E. Kersgard, son of Mr. and Mrs. Otto Kersgard of Campbell.

The bride, given in marriage by her father, wore a gown of white marquisette with floral design. Her three-quarter length veil was of lace net and she carried a muff of net and satin holding two white orchids. A strand of pearls, a gift of the bridegroom, was her only jewelry.

Attendant for the bride was her sister, Miss Elizabeth Bertleson, who chose a blue-violet marquisette gown and carried American Beauty roses.

Mrs. H. Miller presided at the organ while the bridegroom sang "Because".

For his best man, the bridegroom chose his brother, Alfred Kersgard. Eugene Randler, Thomas Bassett, Jack Trace and Fred Jacobson were ushers.

At the reception which followed at the Saratoga Foothills club, the bride's mother wore a flowered afternoon dress with white accessories, while Mrs. Otto Kersgard chose a print afternoon dress with black accessories. Both mothers wore corsages of gardenias.

When the young couple left for a wedding trip to Yosemite, the bride was wearing a gray wool suit with black accessories.

Both of the young people served in the Armed Forces, the new Mrs. Kersgard as a Wave and the benedict as a member of the U. S. Army Air Corps.

Parrs Have Oregon Guests

Mr. and Mrs. J. C. Parr had as their guests for several days last week Mr. and Mrs. A. O. Carden of Pendleton, Oregon. Mr. Carden is associated with Pendleton's newspaper, "The East Oregonian".

Premiums To Be Increased

An overall increase in livestock premiums for exhibitors at the California State Fair, Aug. 29 through Sept. 9, was announced by Ned Green, chief of the bureau of exhibits.

Pointing to statistics recently released from Washington ranking California first among the states in agricultural production, Green declared that every effort will be made this year to keep the fair abreast with California's top ranking position.

By unanimous approval of the State Fair board of directors, new classes in the dairy products exhibit have been instituted, as well as in beef cattle, dairy cattle, goats, sheep and swine.

A complete new structure of awards is being set up by Green, who has been appointed chief of the livestock division.

Suggested premiums indicate an average of 30 per cent. Classes from Columbia sheep and Hereford hogs have been added to the 1946 premium list. The total in livestock premiums will be approximately $60,000.

The dairy products exhibit premiums have been advanced 20 per cent.

Increase in beef cattle premiums will range from 50 to 100 per cent, Green indicated.

Additional premiums have been approved in both the regular classes and stakes in the horse show.

J. E. O'Neill of Fresno, a director and chairman of the livestock committee, announced many new innovations would be instituted at the fair this year from an agricultural and livestock viewpoint, furthering the plan to make the 1946 fair the biggest of all on its 88th anniversary.

Mrs. Mary Lois Haugaard, kindergarten teacher at the Campbell Grammar school has resigned and will be replaced temporarily by Mrs. Helen Powell.

The Romance Of Food

By LARRY BLAKE

The remark that someone is a "good egg" is one of the oldest compliments in the world.

Although some people think it is typically American, and others hold that Shakespeare first used it, the probabilities are that it originated with the Egyptians.

Quite possibly it goes back even farther than the civilization that grew up along the banks of the Nile. But, whether it does or not, the reason for pinning it on Pharoh's children is a distinctly logical one.

So far as history can tell, the Egyptians were the first to use incubators. Consequently, it is a sure thing that just like modern chicken raisers, they rapidly developed an appreciation of eggs that were good and eggs that were bad. Hence the expression, "He's a good egg" was almost certainly first used when some dusky incubator near the Pyramids got a good deal from a hatchery salesman operating out of ancient Thebes.

For a "good egg" of the tasty kind—baked—try the following recipe: Grease well a shallow baking pan. Break a half-dozen eggs in—to the pan; salt and pepper to taste; on each egg place a pat of butter, or substitute; then, over all, slowly pour cream to the depth of ½ inch. Bake in very slow oven from 10 to 20 minutes, depending upon desired solidity, and serve.

Former Students Announce Engagement

The troth of two former Campbell High school students was revealed when Miss Dorothy Speno, daughter of Mr. and Mrs. A. Speno, announced her engagement to Robert Dallas, son of Mr. and Mrs. George Dallas. The news was given to friends at a party at the home of the prospective bridegroom's aunt, Mrs. E. F. Bauer.

Ada Rebekahs Have Dinty Moore Supper

The members of Ada Rebekah Lodge gathered for a 6:30 Dinty Moore supper, served by the Past Noble Grand Club. Lodge convened at the regular time with Neva Kenney, noble grand, presiding.

Distinguished guests were Bella Collins, district deputy president of District No. 3, and Arline Strong from the jurisdiction of Colorado.

During the business meeting a donation was made to the Red Cross.

Anna Bachman, chairman of the food sale made a very favorable report.

Delegates to Grand Lodge to be held at Santa Cruz, May 14, 15, 16 and 17, are as follows: Josephine Gray, Angela Quetin, Eva Dahl and Bonnie Silberbauer.

The members enjoyed a musical skit, "We'll Have To Mortgage the Farm", by the Footlighters.

The next regular meeting will be held April 2, with a Fool's party. Bonnie Silberbauer, Eva Dahl, Arlene Murdock, and Thelma Whitmore will be in charge.

1945 Victory Garden Medals

The need for planting Victory Gardens again this year is being discussed, it was stated recently by Harvey L. Hansen, chairman of the Santa Clara County Home Food Production committee. This committee however, has some unfinished business from last year's Victory Garden contests in the various grammar and junior high schools in San Jose, Campbell, Morgan Hill, and Palo Alto. This is the distribution of the General Douglas MacArthur award medals to those boys and girls who excelled in their victory gardens.

Arrangements have now been made for the distribution of these medals, which were issued for outstanding achievement in victory gardening by the National Victory Garden Institute.

Only the top-notchers among the boys and girls will receive this medal on the basis of reports received at the end of the last season.

Each of the chapters of the Future Farmers of America located in the following high schools: San Jose High school and Abraham Lincoln High school in San Jose, Gilroy Union High school, Campbell Union High school, Los Gatos Union High school, and Live Oak Union High school in Morgan Hill, were awarded a General Douglas MacArthur medal for their overall assistance in the Victory Garden program.

Hansen stated that the medals themselves were the gift of R. M. Cuthbert, San Jose automobile dealer, whose firm was very much interested in the promotion of food production through victory gardens.

To Bicycle to New York

Those residents doing late Saturday afternoon shopping were interested to see a young couple with heavily laden bicycles pause in town. They were Mr. and Mrs. R. F. Seeber of New York. Mr. Seeber has recently been discharged on the coast and they started out Saturday morning for New York by cicycle via Los Angeles.

More Recreational Development

Forecasting tremendous increased vacation use of America's national forests and national parks, the California State Chamber of Commerce was on record supporting increased appropriations by Congress to provide funds for adequate recreational development in national forest and parks within California.

Actions follows surveys by the State Chamber's travel and recreational department. These studies revealed badly deteriorated or obsolete facilities in national parks and forests through wartime cessation of recreational improvement. The survey also shows increasing numbers of California residents and visotors plan to vacation in these areas.

"Not only will California's greatly increased population and state visitors use national forests and parks in increased numbers, but in thousands of instances, the time they spend in such recreation will be doubled due to the five-day week in many lines of work, allowing two days weekly for recreation," declared Joseph R. Knowland, Oakland publisher, who is chairman of the State Chamber's travel and recreation committee.

"Forty-three per cent of California's total area is federally owned, including 24 per cent of the state's total land within national forest and national park boundaries," Knowland stated. "The State Division of Parks and Beaches has one-half of one per cent of the state's area, and the legislature has provided over $17,000,000 from oil royalties for park and beach acquisition and recreational improvements.

"The U. S. Forest Service has continually sought funds for recreational development. Request was made for $1,750,000 for national recreational use in the recently passed deficiency bill, but nothing was included by Congress," Knowland added. "In the current Department of Agriculture appropriation bill covering the 1946-47 fiscal year, the Forest Service asked for an increase of $500,000 for recreation use. The Bureau of the Budget cut this to $100,000. There will be $252,000 available in the next budget, of which California will receive but $53,000 for its 17 national forests.

"Forest Service officials try to provide recreational facilities from improvement maintenance and construction funds. But urgently needed work on telephone lines, lookout stations, sanitation and water development will leave practically nothing for camp and picnic grounds.

"Our study of recreation needs indicates 4,600,000 visitors anually used California's national forest recreational facilities prior to the war. At that time facilities were available for only 35 per cent of these people. Another 4,500,000 passed through our forests without stopping. If California's increased population, to be further swollen by 1,000,000 ex-servicemen in 1946, is to enjoy our national forests nad parks, immediate steps must be taken to improve and expand facilities.

"Our national forests and parks should be available for both summer and winter use."

☆ The Book Mark ☆

The next time Fred Beck writes a book it will be about a mouse or an emu or a purely fictional hero, and not about a flesh-and-blood character who is apt to jump up and object in no uncertain terms.

Beck got in hot water with the writing of "Second Carrot from the End", the history of Hollywood's famed Farmers Market.

Dahlhjelm, a Minnesota farmer who went in business with eighty dollars and ran it up into the biggest thing of its kind in the country, is the principal character in the book-length tale that recounts how The Farmers Market got started, how it skittered along on thin ice and almost failed for several reasons, and how, for other reasons it finally blossomed as an enterprise that rates as one of the seven wonders in America's plaster Athens, Los Angeles.

Already into a fourth printing, "Second Carrot from the End" takes the reader hopping through a series of incidents ranging from such mishaps as befell Monty Wooley's beard when it became entangled in the peanut butter mill—to the time The Farmers Market put on a full-scale circus, with drastic results. Beck hops blithely from such subjects as "the rest room problem" to "how to cook a sole."

General concensus of critics is that "Second Carrot" is the gayest and giddiest book in many a moon.

Another Bay Crossing?

A bill has been introduced in Congress to authorize the construction of a new bridge or causeway across San Francisco Bay to relieve the load on the presently overtaxed span.

Though there may be many objections to a specific third route across San Francisco Bay, there can be no denying that the present and prospective traffic jam on the present San Francisco - Oakland bridge is not only a bottleneck to trade and business, but a menace to life and limb.

The enormous growth of the bay region since the two great bridges were built not only is a justification for the heavy investment in them, but now testifies to the wisdom of extending the bridge facilities which have already proved their value.

The facts of the case are quite simple. This area has outgrown the present traffic setup. More people live and work in this region than could have been envisaged when the bridges were planned. Unless some relief is in prospect, the size and business health of the community of cities about the bay will be restricted. The chief point of restriction appears to be trans-bay traffic. The present bridges cannot be enlarged.

The conclusion, therefore, is that some plan must be forthcoming immediately to provide better facilities.

Campbell Man Married Thursday

At an impressive evening ceremony at the First Baptist church, San Jose, with four pastors taking part in the services, Miss Eunice Barton, daughter of Mr. and Mrs. Harold E. Barton, San Jose, became the bride of Roy E. Van Gorkom, son of Mr. and Mrs. C. C. Van Gorkom, Sunnyside Ave.

Both the bride's father and the father of the bridegroom officiated at the ceremony, assisted by the Rev. Clarence R. Sands and the Rev. Douglass Neff. Miss Dilys Roberts and Bernard Neff sang at the rites.

The bride's gown was white crepe fashioned with a tight bodice, trimmed with a lace yoke, and a full skirt flowing into a long trail. With this she wore a finger-tip veil and carried a Bible and an orchid.

Chosen as attendants were the bride's three sisters. Mrs. Esther Kinch was matron of honor and wore a gown of pink taffeta. The Misses Lois and Rachel Barton were bridesmaids and chose gowns of blue net. All three carried French bouquets of sweetpeas. Little Miss Marilyn Van Gorkom, the benedict's niece, was flower girl, and Master Russell Sands was ring bearer.

Performing the best man's duties was the bridegroom's brother, Harold Von Gorkom. Another brother, Paul Van Gorkom, and the bride's brother-in-law, Connie Kinch, acted as ushers.

Following the ceremony, a reception was held in the church parlors. For the occasion the bride's mother wore a black crepe dress, and the bridegroom's mother, a flowered green jersey. Both complimented their costumes with corsages of white carnations.

At present the young people are at Mt. Hermon. The new Mrs. Van Gorkom is a graduate nurse at the San Jose Hospital. She received her training at the County Hospital, Dibble and Letterman.

The benedict, who graduated from Campbell High school, has been employed by Pan-American Airways. Recently discharged from the Naval Reserve, he expects to be called into the Army soon.

Eastern Star Has Large Meeting

Over two hundred members and guests were present at Campbell Chapter, Order of the Eastern Star, which met on Friday, March 15, with Virginia Currie, worthy matron, and Dr. Guy Levitt, worthy patron, presiding.

The chapter room and the dining room were decorated with the St. Patrick's Day theme, in green and white.

The elective officers of the 39th, 40th and 41st districts, were guests of Campbell chapter's elective officers with Ella Elkey, conductress, as chairman. Other officers on the committee were Thelma Aker, associate matron; Roy Martin, associate patron; Marie Suess, associate conductress; Dorothy Brasch, secretary, and Claudine Hancock, treasurer. They were assisted by Ivy Rost, Elena Robinson, Catherine Cole, Walter Elkey and Vernon Suess.

A clever presentation of gifts was made to the worthy matron and patron by the elective officers.

Distinguished guests of the evening were David Porter, past grand patron of the Grand Chapter of Utah; Lucius Axford and Marie Barnes, deputy grand matrons of the 39th and 40th districts, respectively.

Visiting worthy matrons and patrons were Sylvia Jacobson of Los Gatos; Hazel Shannon of Jarman Chapter; Ruth Fowler of San Jose 31, Alice Webber of Starlight, Evelyn Miller of Sunnyvale, Verna Gilliam of Mountain View, Pansy Mansbarger of Redwood City, Esther Scott of Santa Clara, Bess Wood of Sunnyvale, Arlon Shannno of Jarman, John Poisol of San Jose 31, Carl Bradford of Starlight and Ernest Powell of Mountain View.

The next meeting of the chapter will be held on April 5, preceded by a potluck supper at 6:30 p. m.

Country Womans' Club

At its regular meeting, on Monday, April 1, the Country Woman's Club of Campbell will feature a book review by Mrs. Norman Pratt of Los Gatos. The book to be discussed is "One Nation" by Wallace Stegnar, professor of Humanities at Stanford University, and deals with the eight minority groups in the United States. This subject is another milestone in the club's theme for the year —Building for the Future.

Also on the program will be musical numbers presented by Miss Gloria Surian, local high school student and a pupil of Miss Helen Kalas.

Chairman for the day is Mrs. J. Franklin Blaine, assisted by Mesdames J. W. Dent, Paul Becker, D. RF. Rutherford, Harry C. Smith and Ross C. Trowbridge.

All board members are requested to be present at the board meeting to be held at 1:45 p. m., at the club room.

Revenue and Costs

(Continued from Page 1)

figure of $650 could be eliminated from Campbell's estimated expenses, adding the p rice of rented office space to general administration for which Los Gatos spent $7,342.98. This figure, estimated at $7000 for Campbell would pay the salaries of the town officials, such as the town clerk, city attorney, tax collector, and auditor. (In Los Gatos the town clerk serves as assessor and deputy tax collector) and office expenses.

$9,385.26 was spent in Los Gatos last year for the police department which included the chief's salary, two patrolmen's salaries, patrol cars' expenses and miscellaneous expenses. In view of the difference in size between the two communities the committee estimated that Campbell could receive adequate police protection for $6000 per year.

The Los Gatos fire department cost the city $9,165.86 last year which was divided among salaries, expenses, water service and hydrants, utilities, supplies and equipment, alarm system, etc. The department maintains a day engineer, a night man, a volunteer department of 25 members who are paid for each fire attended. The fire chief is also the building, electrical and plumbing inspector and health officer. He receives $25 per month as chief and all inspection fees. This is not a full time job and the man holding it in Los Gatos is free to do other work also.

The fact-finding committee felt that Campbell's fire department could be operated with less expenditure than that of Los Gatos and still be run in such a way as to lower insurance rates. They estimated $7000 for this.

$6000 was allowed for the street department as compared to $7,859.76 for Los Gatos.

A review of these estimated figures shows:

INCOME

Property tax	$13,500.00
State gasoline tax	2,412.00
In Lieu tax	2,177.50
State liquor licenses	1,000.00
Business licenses	4,000.00
Franchises	1,000.00
Court fines	1,000.00
Miscellaneous	1,000.00
	$26,089.50

EXPENDITURES

General administration	$ 7,000.00
Police department	6,000.00
Fire department	7,000.00
Street department	6,000.00
	$26,000.00

Many of these figures are rough estimates but exact ones would be impossible to determine unless definite decisions were made in regard to the management of the incorporated area. However, The Press hopes to present in the near future more figures on city managements in other towns of comparable size to Campbell.

"The Gay Senorita", playing Friday and Saturday at the Campbell theater, is concerned with the good neighbor policy and deals with it entertainingly in 69 minutes of music and dancing.

The scene of Edward Eliscu's screenplay, based on a story by J. Robert Bren, is a California city and a section thereof where Mexican residents have preserved the appearances and customs of their homeland, inclusive of songs and dances, and wish to go on doing so. The plot concerns an attempt to reconvert the section to factory purposes, and a young man commissioned to do something about overcoming popular objections to that idea ends by falling in love with the gay senorita of the title and doing the reverse.

Jinx Falkenberg handles the title role nicely, and Arthur Dreifuss' direction keeps events flowing smoothly and pleasantly.

Marriage Announced

Mr. and Mrs. Joseph C. Wright of Apricot Ave., are announcing the Reno marriage earlier this month of their daughter, Constance Jean, to 1st Lieut. Robert Dudley Vance, of Berkeley.

A San Francisco fashion model, Miss Wright graduated from Cambrian Grammar school and Los Gatos High school, completing her schooling in the bay city. She is the sister of Sharon Wright.

The bridegroom is the son of Mr. Maurice R. Vance and the late Mrs. Vance of Berkeley. He attended San Francisco Junior college before entering the service in 1941. Just recently returned from one and one-half years with General Patton's army in Germany and Paris, Lieutenant Vince is now on terminal leave.

The young couple are making their home in Berkeley.

FRANK E. WEEKS
Candidate for Justice of Peace, Campbell Township

FRANK E. WEEKS

Frank E. Weeks, candidate for Justice of the Peace in Campbell township, is almost a native, coming to Campbell 44 years ago at the age of thirteen. His first home was on the corner of Minna and Central Avenue.

The population of Campbell at that time was about 500. The Campbell high school, which Mr. Weeks attended, had only three teachers. Mr. Weeks enlisted in the army in 1907 serving in the Philippines, Hawaii and along the Mexican Border. He was honorably discharged as First Sergeant of Cavalry in 1920.

Returning to Campbell with Mrs. Weeks and a six month old daughter, Claire Weeks, he then took residence in the Roy Watson house on South Second Street.

As the years rolled on two daughters and a son were added to the family roster. Dorothy, the second daughter, passed on in 1937; Claire, the eldest, married First Lieutenant Robert McEven of the Air Corps (a Campbell Boy) now stationed at Stockton. Florence, the youngest daughter, married First Sergeant Harold Larson, Tacoma, Washington. He is still on duty in India. Mr. and Mrs. Weeks and seven year old son, Gary, now live in the family home at 38 Fourth Street, Campbell. A veteran of World War I and an active member of American Legion Post 596, Campbell, Mr. Weeks was the only police officer in Campbell from 1934 to 1945.

With this long time association with the people of this township, Frank Weeks feels that he knows just about what the public expects from a justice of the peace and vows that he will devote his entire time toward making this community a bad spot for law breakers.

Piano Team Plays Friday Night
